To: Rupert Keegan

IDRIS ELBA & GREEN DOOR PICTURES LIMITED

c/o SRLV, 89 New Bond Street , London W1S 1DA

I understand that, by virtue of my proposed appointment or engagement with you as Writer/Director/Creative, I may receive or become aware of information belonging or relating to either of you and your personal or business relationships, affairs, activities or behaviour, and those of your guests and visitors, including any information as to your whereabouts at any given time or generally. I acknowledge that such information is of a private and confidential nature and that I shall accordingly be bound by a strict duty of secrecy and confidence in relation to all such information which I receive or become aware of.

In consideration of your offering me and continuing my appointment or engagement with you (but without limiting any other terms and conditions of my appointment or engagement that may be agreed between us), I undertake to you that I will not at any time, either before or after the termination of my appointment or engagement with you, either directly or indirectly disclose, divulge or make any unauthorised use of any such information, except to the extent that any of such information is publicly known at the time when I receive or become aware of it, or after that time becomes publicly known otherwise than through a breach of this undertaking by me, or is required to be disclosed by me by law or by an order of a court or other competent authority. I also undertake that during my appointment or engagement I will not take any photographs, recordings or films of any kind at your residence, or make any notes, memoranda or records in writing or otherwise, or give any interview to any person relating to the personal or business relationships, affairs, activities or behaviour of you or your guests or visitors, including any information as to your whereabouts at any given time or generally. If contrary to this undertaking I do any of the foregoing, I agree that any such photographs, recordings, films, notes, memoranda or records and any copyright in any of the foregoing (and in any recording of any words spoken by me in any interview) will be and remain your absolute property, and I will not part with possession or transfer any copy in any form of any of the foregoing things to any other person. On request by you or on the termination of my position with you, I undertake to return to you all documents or records or other materials in any medium or format containing any of your confidential information which are in my possession or control and will not retain any copies. I acknowledge that any breach or non performance by me of any provision of this Agreement may cause you irreparable and unquantifiable damage and that in such event you shall be entitled to seek equitable relief in court, including but not limited to temporary restraining orders, preliminary injunctions and permanent injunctions.

This Agreement contains the entire agreement between the parties relating to its subject matter and supersedes and replaces all prior agreements and understandings, whether written or oral, express or implied.

I understand and acknowledge that this undertaking, and the obligations contained in it, will continue without limit of time and be governed (including non-contractual disputes or claims) by the laws of England, to whose jurisdiction I agree to submit.
